ENTERTAINING AT IRONCLAD

WHETHER HOSTING COLLEAGUES OR YOUR CLOSEST FRIENDS, Ironclad happily accommodates corporate meetings, celebrations, and most everything in between. Our personalized service and exceptional attention to detail means your particular event needs will be covered, within an intimate, inviting atmosphere. As always, our handmade bourbon whiskey makes entertaining at Ironclad especially unique and memorable.

Located in downtown Newport News along the James River, Ironclad Distillery Co. operates within the prodigious S.W. Holt & Co. warehouse built in 1913. Our Tasting Room is an inviting space complete with velvet sofas, worn rugs, vintage chandeliers, exposed brick and concrete, and a lot of history.

Ironclad Distillery Co. was established in 2014 and features bourbon whiskey made from grain to glass, all under one roof. Produced using some of the best Virginia corn, wheat, rye, and malted barely, it is characterized by the brackish air from the James River, balanced by the sweet caramelized oak sap from our charred barrels.

THE HOLT ROOM

PLEASE DON'T TELL. Our speakeasy-inspired lounge hidden inside the distillery. That's the first of many quirks. Sip novelty bourbon cocktails – many made tableside – in a dark, intimate space while you act as DJ with your choice of vinyl records, play debaucherous games, and discover a few other surprises along the way. The perfect space for small birthday celebrations, corporate meetings, bridal suites, or just a crazy fun night out with friends.

Who is Holt?

IN SHORT, THE GUY WHO BUILT OUR BUILDING. But, really, he's so much more. Saxon Winston Holt and his brother Robert "Bob" Pegram, both from Surry County, built this building in 1913 to house their wholesale grocery, a lucrative business which they dreamed of establishing in a more bustling place than rural Surry. Saxon's high regard and deep seated love for Virginia eventually lead him to serve as a member of the Virginia Senate and as the 24th Lieutenant Governor of Virginia from 1938 until 1940, unfortunately an unfulfilled tenure due to his death on March 31, 1940. His family house is not four miles away on Huntington Avenue, and his life and home are reflected on the gallery wall inside the room.
